

Southern California Society of American Foresters
“Informal” Executive Committee Meeting
Bailey BBQ, Julian, Ca.
March 28, 2003

Minutes

In Attendance: Cowie (Chair), Fleisher, Hanna, Koepp, Lopez, Nickles, Sears, Todd, Waite (9)

Meeting called to order at 1900

As this was not a formal meeting I thought I would put down a few notes that might serve as reminders when we next meet.

Spring Field Tour

- Everything is ready to go. Expecting close to 40 attendees.
- CFE credits are available for the meeting. A re-assessment of CFE credits will be made because of the weather induced change of itinerary.

Nametags

- J. Lopez brought a cache of SoCal SAF Nametags. These would be helpful to identify Executive Committee members during future SoCal SAF events. J. will have nametags made for all members of the Executive Committee.

Fall Meeting

- Fall Meeting is planned for the weekend of October 3, 2003. This is three weeks before the National SAF Convention in Buffalo, NY.
- Focus of the meeting will be forest health in the San Bernardino Mountains and the Governor’s recent emergency declarations. Potentially a large meeting. Meeting location could be Ontario or San Bernardino with a field component as part of the event or if a suitable facility is located, the entire meeting could be held in the Big Bear/Lake Arrowhead area.

Respectfully submitted by John R. Todd
